(1) In their order Mis. No.1471 Rev., dated 5th May 1910, Government ordered that the assignments under the darkhast rules of lands affected by the proposed Arisikere-Mangalore Railway line should be conditional. In view of the subsequnet correspondence in G.O. Nos. 185 Ry., dated 31st March 1915, and

40, Railway, dated 17th January 1916, which indicates that the Railway project has been practically abandoned the Collector enquires whether the conditional assignments should continue or whether assignment outright may be permitted. The Board solicits orders in the matter.

The line from Arsikere to Hassan in the Mysore State has already been sanctioned in principle. It will be seen from paras 3 & 6 of the Railway Board's letter No. 308P dt the 21st August 1923 that there is no prospect of the Hassan Mangalore line being taken in hand in the near future. Revenue may therefore be informed that permanent assignment may be permitted.

I think so - I consider it bad policy to make such conditional assignments unless there is a reasonable prospect of the land being wanted. There is not much use.

As there is no ~~reasonable~~ section in prospect of the British-Indian ~~Section~~ of the Attikere-Mangalore Railway being Constructed in the near future, the Govt. Consider that the lands, affected by the Railway project need no longer be subject to the Conditions imposed in Govt Mis No. 1471 Rev. dt. 5. 5. 1910.
